5.a	<p>BTMA/BRPPA</p> <ol style="list-style-type: none"> 1) A workshop on Health and Safety for Maintenance Engineers was run and contributions were made by the Secretary and Mr King. It was thought to be a very useful 1st ‘shot’ and HSE were thanked for their input. Information and a list of comments to be provided with the minutes. Dr Dost had the names of those who had attended and they would be contacted and asked how they had progressed in putting the knowledge gained into practice. Two more workshops were planned for the following year and there were already approximately 30 engineers wishing to attend. Dr Dost would like to provide further workshops on ‘Contractor Management’. 2) Cancer risk amongst UK workers using MbOCA – Dr Dost had produced a paper to be submitted to the Journal of Medicine for publication. The final draft would be circulated to members. The first study of UK workers who are users of MbOCA should be available in March/April 2009. 3) Tyre inflators’ poster – Darren Green was producing a new Tyre Inflation poster. It will probably be made available as a download 	Information and a list of comments to be provided with the minutes	Secretary	With the minutes

	<p>Safety Reps about health and safety in their workplaces. Some of which didn't show the safety culture in their workplaces in a very good light. After a general discussion the Chairman thanked Mr Hudspith, and in light of the report, asked if the employers associations could be in a position to report back on progress in achieving the objectives and targets in 'Rubbing out Risk' at the next meeting. Mr Edy said he would be happy to manage a survey for his members if Mr King would help him – Mr King agreed.</p>	<p>a survey of his members assisted by Mr King</p>	<p>Mr King</p>	<p>at next meeting.</p>
<p>5.g</p>	<p>HSE –</p> <p>1) Load Security on Curtain Sided Lorries - Mr King said that the research document was now available from the Paper page of the HSE Website. It was a comprehensive document which contained all available statistics and a literature search, as a result of this HSE did not intend to produce any further guidance. There was a general discussion about how the information could be communicated to industry and it was agreed that there needed to be some sort of summary of the research. The Secretary and Mr King agreed to look into this.</p> <p>2) Tyre handling workshops - The Secretary said that six venues and dates had been arranged between January and March 2009 and the flyer/poster should be available to send to members with the meeting minutes.</p> <p>3) HSE was running a three month consultation process on its new strategy and calling on partners to take part. More information can be found on HSE's website at: Strategy and plan from Health and Safety Executive</p> <p>4) European Safety Standards – a message had been sent regarding a new working group on vulcnising presses with a deadline of December 9th. Mr Hinks asked if the Secretary would e-mail the information to himself, Mr Tovey and Mr Taylor. Mr Aston asked if the Secretary could clarify if this was tyre specific.</p>	<p>The Secretary and Mr King to look into possibility of summarising the research on Load Security.</p> <p>Tyre handling workshop flyer/poster to be sent with minutes</p> <p>Link to be sent with minutes</p> <p>Secretary to e-mail information on the working Group to Mr Hinks, Mr Tovey and Mr Taylor and clarify if the group was tyre</p>	<p>The Secretary and Mr King</p> <p>The Secretary and Minutes Secretary</p> <p>Secretary</p>	<p>Report back at next meeting.</p> <p>Done</p>

	<p>5) Rubbing out Risk – the Chairman said that the committee should be in a position to have a draft report on the outcome of the initiative by the next meeting. Possibly meeting with each Trade Association early in the New Year and followed by a strategy group meeting. The following members volunteered for the strategy group: Mr Hudspith, Dr Dost, Mr Hinks, Mr Edy, The Secretary and Mr Green, Ms Shah offered to act as a consultant. Then some discussion about future strategy – with some smart objectives for the next three years.</p>	<p>specific. Secretary to take forward.</p>	<p>Secretary</p>	<p>New Year</p>
6	Update on HSE Disease Reduction Programme			
6.1	<p>Mr McAlinden gave a presentation on ‘what happens next’ when the DRP (Disease Reduction Programme) ended in March 2009. Two half day seminars were planned for 11 March 2009 at Fort Dunlop aimed at bringing GRG LEV users and LEV suppliers involved in development of the new guidance into one room – approx 25 GRG LEV users and 5 LEV suppliers per half day seminar. Mr Hudspith asked if it would be clear who the Roadshow was aimed at as they needed to know if the information was relevant to them. Also, he was keen to see that Safety Representatives – the Chairman asked Mr McAlinden to consider this. Mr Hinks said he would be taking a Safety Representative with him anyway.</p> <p>A copy of the presentation will be circulated with the minutes.</p>	<p>Copy of the presentation to be circulated with the minutes.</p>	<p>Minutes Secretary</p>	<p>With the minutes</p>
