How To Find Us

By Road

Lord Cullen House is situated between **Powis Place/Causewayend** and **George Street** just north of the main city centre. Although the main address is **Fraser Place** which runs between **Powis Place/Causewayend** and **George Street** the only way into the car park for visitors is via **Charles Street**, a dead end road from **Causewayend**.

By Rail

On arrival at **Aberdeen railway station** you have the option to take a taxi (see above) or walk to the office. Approximately 20 minutes. If the latter is taken then upon exiting the **railway station** turn right down **Guild Street** until you come to second set of traffic lights. Turn left up **Market Street**. You will then come to another set of lights which is the junction of **Market Street** and **Union Street**. Head straight across lights towards main shopping centre, **St Nicholas Centre**. On departing you will be faced with a further shopping centre called the **Bon Accord Centre**. Again carry on walking through until you exit. You will then be onto **George Street** (**John Lewis** on right). Carry on walking up **George Street**, through three junctions until you reach the forth junction which is the one with **George Street** and **Hutcheon Street**. Go straight ahead through this junction pass several shops until you reach Charles Street, first on the right. Head down this Street and soon you will be confronted with **Lord Cullen House** on the left hand side. Report to reception.

By Air

Follow the signs for the 'City Centre' for approximately 5 - 5.5 miles (negotiating roundabouts, traffic lights as required). Then look out for traffic lights at a Y-split of the road. Take the left arm which is a dual-carriage way: **Powis Place** leading onto **Causewayend**. Pass through the next traffic lights (but note the HSE building at the right side of the road) to a major roundabout (**Mounthooly**). Go right around the roundabout and back up the same dual carriage way. Turn into the first road on the left, just before the traffic lights. This is **Charles Street**. Stop at the first car park barrier on the right hand side and state the purpose of your visit to Security staff via the intercom. Report to reception.

By Taxi

Lord Cullen House is about six miles from the airport and it will take less than 20 minutes by taxi. From the railway station it is approximately one mile. Ask the taxi driver to turn into **Charles Street** from **Causewayend** then stop at the first car park barrier on the right hand side and state the purpose of your visit to Security staff via the intercom. Report to reception. It is worth pointing out that during rush hour taxis may take a while to get hold of. In the past, visitors to **Lord Cullen House** have been caught out by a long wait.

From south of **Aberdeen City** cross the **Bridge of Dee** and drive along the city ring road (**Anderson Drive**) following signs for **Inverness** and the airport. After five roundabouts - including the one just after crossing the bridge - turn right at the second traffic lights onto **Westburn Road**. Follow this road and its continuation, **Hutcheon Street** until hitting the major (**Mounthooly**) roundabout. From the roundabout turn into **Causewayend**, the dual carriage way - first exit - and turn left just before the next traffic lights into **Charles Street**. Stop at the first car park barrier on the right hand side and state the purpose of your visit to Security staff via the intercom. Report to reception.

Where to Park?

Fortunately **Lord Cullen House** is well provided for in this area and it is rare for problems to occur. Visitors arriving by car should use the intercom at the barrier on **Charles Street** to gain access. Generally reservations are not taken for car parking however any queries or specific requirements can be made to Location Management Team on 01224 252631 or 01224 252643 (VPN 525 2631 or 525 2643).
