## How To Find Us

### By Road

From **North M1, J36: Exit J36** and take **A61** towards **Sheffield**. Slightly left to stay on **A61** and follow the **A61**, veer left onto **Shalesmoor** then get in the right hand lane to follow the signs to **Riverside**. If you are on **Ring Road** please follow signs to '**Riverside**' or '**Parking – Riverside**' which brings to the **Q-Park**. HSE Office is next to **Q-Park. No 3 Millsands**

**From South M1, J33: Exit M1 J33** and take **A630** and Continue on **A57**. Turn right at traffic lights on to **Derek Dooley way (A61)**, then turn left on **Bridge Street (Riverside)**. If you are on **Ring Road** please follow signs to '**Riverside**' or '**Parking – Riverside**' which brings to the **Q-Park**. HSE Office is next to **Q-Park. No 3 Millsands**

### By Rail, Tram, or by foot

Station travellers to **go out of the back of the railway station** to the **Sheffield Hallam/Railway** station tram stop, get on a purple or blue tram heading towards the city centre (if exit rear of rail station, turn right to get to tram stop, remain on the station side of the tram tracks to go into city centre). Get off tram at **Castle Square** stop, walk down **Angel Street** (passed Argos), down **Snig hill**, right onto **Bridge street** then left onto **Millsands**.

Alternatively, get off tram at **Fitzalan Square/ Ponds Forge** stop and walk down **Haymarket** and **Waingate**, then turn left onto **Bridge Street**, then right onto **Millsands**.

### Where to Park?

**Q-Park:** We are next door to the office is a **Q-park**. We do not have any free parking here at all. However, there is **£2 car park** on **Alma Street** in favour of the **£9.50 a day Q Park**.

**Street Parking:** There is some cheaper on-street car parking for a maximum of two hours.

**Park Ride** schemes via the **Super Tram** for **£3.50-£4.00** a day. The tram is by far the best (and safest) option) Literally a 2 minute walk from **Castle Square** and **Fitzalan Square**. if catching from **Meadowhall** or **Valley Entertainment**). The tram from other directions travels on the roads but from **Meadowhall** uses old railway lines so is literally 10 mins at any time.

**Useful advice:** Google Maps is useful as it shows the one-way streets in the vicinity. We are very close to the new inner ring road in **Sheffield** (green on the Google map). If you are on the ring road close by, there are signs to '**Riverside**' that bring you to the building.

**\*Warning:** You should not use Sat-Nav to find us unless you have updated your maps this year, the local roads are all new, and old Sat-Nav will get you hopelessly lost and you might end up in a restricted zone where you get an instant £60 fine.
