Enterprise & Regulatory Reform

REGULATORS' COMPLIANCE CODE

Statutory Code of Practice
for Regulators

17 DECEMBER 2007

Our model of better regulation

Firmer enforcement

Lighter touch

“Acceptable”
compliance range

Level of
Compliance

‘Top Performers’ - go
beyond compliance

‘Proactive ownership’

- We will support and exemplify
- Monitor/ encourage - ensure they don’t ‘slip back’

Generally compliant

‘Passive (constructive) ownership’

- We will press them to take greater ownership
- Inspect and educate to encourage excellence

Generally non-compliant

‘Unaware or obstructive’

- We will inform and educate - backed-up by enforcement
- Inspect and enforcement to encourage compliance

‘Criminals’ - no
intention of
complying

‘Total disregard’

- We will investigate, prosecute and disrupt to stop the activity

“Unacceptable”
compliance range
