Dear Emmie

ColorMatrix Europe Limited is delighted to support this year's Better Backs campaign to tackle back pain in the work place.

We are serious about managing the risks of back pain at work and will be demonstrating our support by taking the following actions:

- ***Stating our commitment to our workforce***
- ***Using the MAC assessment tool to gain agreement on actions to be taken***
- ***Running poster campaigns***
- ***etc***

By doing these things we plan to achieve the following:

- ***Higher awareness of the cause of back pain***
- ***Better involvement and communication within our organisation***
- ***Reduced risk of back injury***

ColorMatrix Europe Limited is committed to working with HSE and the Local Authorities on this issue - together we can make a real difference.

Yours sincerely

Ken Wilcox
Safety Manager
