Dear Emmie

New Charter Housing Trust Group is delighted to support this year's Better Backs campaign to tackle back pain in the work place.

We are serious about managing the risks of back pain at work and will be demonstrating our support by taking the following actions:

- **Discussions/items on team briefs /tool box talks**
- **Posters**
- **Brand the campaign as New Charter New You which is linked to our well being policy**

By doing these things we plan to achieve the following:

- **Higher awareness of the cause of back pain**
- **Better communications within our Organisation**
- **Reduce back injuries**
- **Enhance the well being of our employees**

New Charter Housing Trust Group is committed to working with HSE and the Local Authorities on this issue - together we can make a real difference.

Yours sincerely
Alan Pennington
