Dear Emmie

ColorMatrix Europe Limited is delighted to support this year's Better Backs campaign which aims to reduce the incidence and impact of back pain and upper limb disorders caused or made worse by work and to reduce the number of working days lost to these causes.

We have set ourselves the following goals with view to tackling back pain and upper limb disorders in our work place:

- **goal 1 Reduce manual handling injuries 60% in 2008**
- **goal 2 Reduce manual handling near miss incidents by 70% in 2008**
- etc

We plan to achieve our goals by taking the following actions:

- ***action 1 Employee involvement in developing manual handling best practice***
- ***action 2 Monthly safety topics of which manual handling will play a significant part***
- ***action 3 Conduct safety systems audit throughout 2008***
- ***action 4 Use HSE campaign material to raise employee awareness***

ColorMatrix Europe Ltd is committed to working with HSE and the Local Authorities on this issue - together we can make a real difference.

Yours sincerely

Ken Wilcox
