

AGENCY AGREEMENT BETWEEN:

THE HEALTH AND SAFETY EXECUTIVE

AND

THE CHIEF OFFICER OF POLICE OF DERBYSHIRE CONSTABULARY

This Agreement is made between the Health and Safety Executive ("HSE") and the Chief Officer of Police of Derbyshire Constabulary ("the Chief Officer of Police") under section 13(3) of the Health and Safety at Work etc. Act 1974. It provides for the exercise of a function of HSE by the Chief Officer of Police acting on behalf of HSE.

In this Agreement, "the function" means the function of the competent authority, which is HSE, relating to the granting of approvals to transfer explosives within Great Britain and, where an approval is granted, to issuing to a consignee of explosives a recipient competent authority document ("RCA document") within the meaning of regulation 8 of the Explosives Regulations 2014 ("the Explosives Regulations") (S.I. 2014/1638, amended by S.I. 2016/315).

IT IS AGREED THAT:

1. The Chief Officer of Police is to perform the function on behalf of the HSE so far as it is to be performed in the police area of the Chief Officer of Police.
2. The Agreement relates to transfers of explosives within Great Britain only. The Agreement does not apply to transfers of explosives to which Article 11.5 of Directive 2014/28/EU of the European Parliament and of the Council on the harmonisation of the laws of the Member States relating to the making available on the market and supervision of explosives for civil uses (recast) applies.
3. The function is to be performed where a person applies for and is granted a certificate issued under regulation 11 of the Explosives Regulations by the Chief Officer of Police.
4. The wording for a RCA document issued by the Chief Officer of Police is to be added to the end of that certificate, as a separate matter without being a part of it. The RCA document shall be in the form set out in the Schedule to this Agreement or one to the same effect.
5. The Chief Officer of Police must provide to the HSE such information as the HSE may from time to time reasonably require in connection with the performance of the function.
6. This Agreement may be amended by agreement in writing between the HSE and the Chief Officer of Police.

7. This Agreement comes into effect on 31st December 2016 and ends at midnight on 31st December 2021 or the expiry of three months written notice given at any time by either party to this Agreement to the other, whichever is the sooner.
