

Approved Supply List

Note: The Approved Supply List (ASL) consists of over 350 pages of data on specific chemicals which directly reproduces information in Annex 1 of the Dangerous Substances Directive (67/548/EEC). As no changes are proposed to this information as a result of consultation we have not reproduced it here.

However, we have attached the appropriate text for the Notice of Approval, together with the Introduction to the proposed 8th Edition of the ASL and an extract showing the type and style of information the ASL contains.**
