

# Chief Executive's Report to the Commission – 12 Feb 2008

Annex 1

## Annex to the Chief Executive's Report: February 2008

### Management

- The HSE Board met on 6 February and discussed progress with the Fine Tuning/segmentation project, the Q3 performance report and the development of the planning proposals for 2008/09. The Board were also updated on monthly Finance and Staffing position progress with the HSE recruitment plan.

### Operations

- 28 Fatalities were reported to HSE in January. Brief details are given in Annex 2.

### Significant prosecutions in January included:

- Rhondda Cynon Taf County Borough Council were fined £60,000 and ordered to pay costs of £22,675 after pleading guilty to a charge under section 3(1) of HSWA, and a further two charges under the Provision and Use of Work Equipment Regulations 1998. The charges follow an incident in April 2003 at a council respite home which resulted in the death of 23-year-old man.
- East End Foods plc was fined £25,000 with £28,000 costs after an employee was injured when a 50kg sack of basmati rice fell on him
- Severn Trent Water Ltd of Birmingham, was fined £19,750 and ordered to pay £6,730 costs after an incident which left an employee without four fingers and part of his palm.

### Myth of the Month

- Dispelling the myth - if a pupil is hurt, the teacher will be sued.

### FOI Requests

- There were 516 Freedom of Information requests made to HSE in January.

### Consultations

- HSE published the results of the Government's consultation on revised policies to address societal risk around major hazard installations.

### Events and Campaigns and publications

- Powys County Council signed up to the HSE campaign to combat the growing number of myths that are undermining Health and Safety legislation.

### Parliamentary Business

- There were 26 PQs in January

### FATALITIES REPORTED TO HSE DURING JANUARY

These initial notifications are not validated in that investigation has not as yet confirmed that all the deaths were work related

AGE	REGION	INDUSTRY SECTOR	DESCRIPTION
