NB: PD and SID will interface to ensure coherence between the respective Business and Workforce Strategies; and to present joined-up arguments to the Board for approval. They will also consult with and guide d/ds' production of supporting business and resource plans to ensure they are consistent with decisions taken by the Board. In lower tier planning, d/ds should include more meaningful statements on the Workforce in their own Strategic and Operating Plans.

Annex to Paper B/037

HSC/E Business and Workforce Planning Process - January 2003 - December 2004 App' 1
