Reconstitution of CONIAC for 2013-2016

Summary

This paper informs in relation to work to reconstitute CONIAC.

Background

1. The Construction Industry Advisory Committee (CONIAC) is established by the Head of Construction Division for purposes set out in its terms of reference. Its membership comprises representatives of bodies who in the view of the Head of Construction Division are likely to be able to assist with CONIAC's purposes and ensure adequate representation of the views of employers, workers and other relevant stakeholders. CONIAC's current three-year term of office expires on 2 March 2013.

Argument

2. The Head of Construction Division has decided to reconstitute CONIAC for a further three-year term from 3 March 2013 to 2 March 2016.
3. The work to reconstitute CONIAC will be carried out by the CONIAC Secretariat in accordance with the indicative timetable set out in **Annex 1**.
4. CONIAC's terms of reference (**Annex 2**) shall remain unaltered except for the following revisions which seek to reduce bureaucracy:
 - The requirements at paragraph 9 for the HSE Board to consider and endorse CONIAC's Work Plan and at paragraph 10 for an annual report to the HSE Board are deleted. This is on the basis that the regular papers to the Board updating on the activities of Construction Division, including those of CONIAC, ensure a sufficient level of Board oversight.
 - The requirement at paragraph 14 for CONIAC to formally endorse the work plans of the working groups and the requirement at paragraph 16 for formal annual reviews of each Standing Committee are deleted. This is on the basis that the requirement (at paragraph 14) for CONIAC to receive a report of recent working group activities at each of its meetings

Recommendation

5. CONIAC notes the information in this paper.

Membership of CONIAC

3. CONIAC shall consist of a Chair (who shall be an official of the Health and Safety Executive) and Members appointed by the Head of Construction Division. Before appointing Members, the Head of Construction Division shall seek nominations from such organisations and individuals representing employers, workers and others as he/she considers are likely to be able to assist with CONIAC’s purpose and are reasonably representative of the construction industry. In making appointments he/she shall seek to ensure adequate representation of the views of employers, workers and other relevant stakeholders. The process of nomination and appointment shall be transparent.

4. Members may be appointed for the full term of office of CONIAC or for a shorter period as determined by the Head of Construction Division.

5. Members are required to submit information for inclusion in a Register of Members' Interests as set out in the **Annex**.

6. Where a Member is unable to attend a meeting of CONIAC he/she shall be expected to arrange for a suitable substitute to attend in his/her place. 9. CONIAC shall develop, agree and, ~~following endorsement by the Health and Safety Executive Board ("HSE Board")~~, carry forward a Work Plan that will support the HSE's Strategy.

~~10. CONIAC shall report on its work annually to the HSE Board. The report shall include appropriate information on expenses incurred.
[Following paragraphs to be renumbered]~~

11. Members may request that the Chair brings such matters to the attention of the HSE Board as they see fit. The Chair shall have full discretion to decide his/her response to such requests but if a request is refused he/she shall provide the reasons for this to CONIAC.

CONIAC Meetings

12. CONIAC shall meet three times in each calendar year, usually in March, July and November. The meetings shall be open to the public under terms determined and administered by the Secretariat. Exceptionally, the Chair shall have discretion to vary the dates of the meetings, to increase or decrease their number and to exclude the public from all or part of any meeting. Where meeting dates are changed at short notice due consideration will be given to Members who are not able to attend and are not able to provide a suitable substitute as required under paragraph 6.

Working Groups

13. Subject to the agreement of CONIAC, the Chair of CONIAC may establish Working Groups. Such Working Groups shall be the principal means for delivering practical outcomes in support of CONIAC's purposes and Work Plan. Subject to the agreement of CONIAC, the Chair of CONIAC may terminate the existence of a Working Group at any time.

14. Each Working Group shall be either a Task and Finish Group or a Standing Committee. Each Working Group shall have and, ~~subject to its endorsement by CONIAC,~~ carry forward a Work Plan. CONIAC shall monitor the activities of the Working Groups and hold them to account for delivery of their Work Plans. Reports from Working Groups shall be a standing agenda item for CONIAC meetings.

15. Task and Finish Groups shall be established for not more than 18 months for the purpose of developing specific deliverables. Each shall develop and agree its own terms of reference and work plan. Each shall agree a Chair from among its members, who need not be an HSE official.

16. Standing Committees shall be established for the consideration of issues in specific subject areas and with a view to supporting and encouraging appropriate action by HSE and/or the industry. Each shall develop and agree its own terms of reference and work plan. Each shall agree a Chair from among its members, who need not be an HSE official. ~~Each year, prior to its annual report to the HSE Board, CONIAC shall make an assessment of the value of continuing each Standing Committee. Where CONIAC determines that a Standing Committee should not continue the Chair shall formally terminate it.~~ If at any time it appears to the Chair or to any CONIAC Member that the continued existence of a Standing Committee is no longer justified in terms of CONIAC's purposes and Work Plan, they may propose that it be terminated. Where CONIAC agrees with such a proposal, the Chair of CONIAC shall formally terminate the Standing Committee.

17. Before appointing the members of a Working Group, the Chair of CONIAC shall seek nominations from CONIAC Members. Exceptionally, in cases where the Chair considers that additional nominations are needed, he/she shall have discretion, after informing CONIAC, to seek nominations from other persons or to appoint persons who have not been nominated. All papers and presentations for CONIAC are subject to prior clearance by the Chair.

20. The Secretariat shall carry out analogous functions in respect of its Working Groups.

21. The Secretariat shall liaise with other industry bodies in order to minimise unnecessary duplication of effort between them and CONIAC and its Working Groups. In doing so it shall seek to establish an annual liaison meeting with comparable external bodies.

ANNEX

Register of Members' Interests

In line with Government policy on standards in public life, openness and accountability the Secretariat will maintain a Register of Members Interests which each Member of CONIAC is required to complete on appointment.

The Register should, as a minimum, list direct or indirect pecuniary interests of each Member which may or may be perceived (by a reasonable member of the public) to influence his or her judgement when acting as a Member. Members may also wish to add a personal profile to their declaration, to explain the nature of their everyday work and what other positive interests they may have.

The Register will be placed on the HSE web site and will be made available to the public on request. Members must notify the Secretariat as soon as reasonably practicable of any changes to their declaration. Where a Member has declared an interest, he or she, with the agreement of the Chair, may contribute to the discussion of the matter under consideration if appropriate.

Reimbursement of Members' travel and subsistence expenses

Membership of CONIAC is unpaid, but incidental expenses and loss of earnings can be claimed. Members are entitled to travel and subsistence expenses incurred on official CONIAC business. The rates payable for expenses are set by HSE's Planning and Finance Directorate. Details and claim forms are provided by the Secretariat.
