Leadership in Health & Safety

A template for leadership in general

Judith Hackitt CBE

Chair, Health and Safety Executive

The Health & Safety of Great Britain

- A new strategy
- Clear roles & responsibilities for everyone

Strong unifying mission:

“The prevention of death, injury and ill health to those at work and those affected by work activity”

The benefits of leadership

- Healthier & safer workforce
- Increased motivation & productivity
- Improved reputation
- Greater efficiency
- Reduced cost

It's not about the paperwork!

It is about

- Common sense
- Personal Responsibility
- Integrity

Integrity is about Consistency & Credibility

- Your own organisation as an example of what you espouse to customers/clients
- Consistency for all staff
- Listening and acting

Personal responsibility

- Delegate tasks not responsibility
- Look for problems and find solutions not people to blame

Paperwork & procedures provide framework but it's people who matter

Leadership is about human skills

- Common sense
- Personal responsibility
- Integrity

Health & Safety

- An enabler
- A motivator
- An efficiency driver
- A template for good leadership
