REDUCING RISKS. PROTECTING PEOPLE

Every year, five more farming families have to face their worst nightmare. A child killed in an accident that could so easily have been prevented. Another fifty have to live with painful and sometimes permanent reminders of how dangerous a working farm can be for the young. Don't put your kids at risk. Call 01787 881165 for your free HSE child safety booklet. **IT'S YOUR LIFE, YOUR FAMILY, YOUR LIVELIHOOD – FARM SAFELY.**
