**Ladder  
Exchange  
Initiative  
2009**

# **Don't let a dodgy ladder shatter your life**

**Is your ladder right for the job?  
Make sure it's in good condition,  
and don't risk using it if it's broken,  
damaged or bent.**

**You can part-exchange your old ladder  
for a safe, new one at any one of our  
partner companies.**
