Thank [REDACTED]

I know [REDACTED] was actually here today – He's headed back now which is a bit of an annoying missed opportunity but I can hopefully catch him tomorrow. I know [REDACTED] too and I think it would be best to speak to Syngenta initially so I'll try her first thing.

Subject: APPLICATION FOR AUTHORISATION FOR THE USE OF 'CRUISER OSR' and Modesto

Dear [REDACTED]
Thank you for the conversation just now. Here are the contact details of the people in Bayer and Syngenta I have been dealing with on this emergency authorisation. I will try to get hold of at least one of them by phone this afternoon and will also email. If you also contact them then we can between us pin them down on the issues you set out.

For Modesto:

For Cruiser OSR – She has no email signature so don't know her job title or phone number I'm afraid.

Best wishes, and we can hopefully speak Tuesday next week.
