Dear Mr Walters

I am writing this letter to show that **AFSL** fully supports the Backs! 2005 campaign.

**AFSL** is taking the following action as part of Backs! 2005:

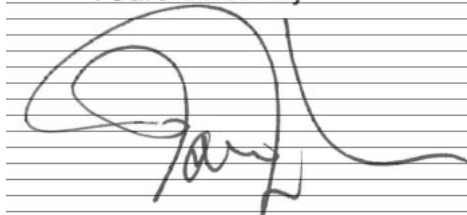

- ***Implementing tightened control of passenger baggage weight per piece***

It is anticipated that the above action will bring about the following improvements in the workplace:

- ***Reduction of personal (back) injuries***
- ***Reduction in lost working time as a result of such injuries***
- ***Improvement in associated baggage handling functionality***

**AFSL** is committed to working with the Health & Safety Executive and Local Authorities to reduce in the long term, the significant cost to our business as part of the ground handling industry and reduce personal injuries as far as practicably possible.

Yours sincerely

**Ian Dedman**  
**General Manager**
