Dear Mr Walters

I am writing this letter to show that **HSE** fully supports the Backs! 2005 campaign.

HSE are taking the following action as part of Backs! 2005:

- *Use the **HSE** Backs! 2005 publicity materials and training packages to raise awareness in the organisation*
- *Involve our occupational health advisors in ensuring that people who are off sick with back injuries are effectively rehabilitated*
- *Where any assessment identifies that a weight over 25Kg is to be lifted action is taken to reduce the risk of injury*

Yours sincerely

Justin McCracken
Deputy Director General (Operations)
