Dear Mr Walters

I am writing this letter to show that **Alexandra Seivewright BSc [Chiro.]** fully supports the Backs! 2005 campaign.

I am taking the following action as part of Backs! 2005:

- 1 ***I am already offering an affordable chiropractic service to members of the Worcestershire Hospitals Acute Trust [WHAT] as part of the Occupational Health Department at Worcester Royal Hospital.***
- 2 ***I am planning on offering the same service to other stakeholders of the Backs! 2005 campaign.***

It is anticipated that the above action(s) will bring about the following improvements in the workplace by :

- 1 ***Aiming to reduce the number of staff suffering with MSDs, by treating them with chiropractic manipulation and encouraging them to use specific exercises to help strengthen their backs to manage and prevent future MSD.***

I am committed to working with the Health & Safety Executive and Local Authorities to help reduce in the long term, the terrific cost to industry and society of back pain and other musculo-skeletal disorders (MSDs) in the workplace.

Yours sincerely,

**Alexandra Seivewright BSc [Chiro.] GCC.MMCA
