Dear Emmie

Metal Spinners Group Ltd is delighted to support this year's Better Backs campaign to tackle back pain in the work place.

We are serious about managing the risks of back pain at work and will be demonstrating our support by taking the following actions:

- **Retraining on Manual Handling**
- **Increase number of FLT drivers**
- **Regular promotions via displays and Occupational health team**
- **Consider any automation of process which may be possible**
- **Train all staff in the use of current lifting aids**
- **Identify new lifting aids and try out**

By doing these things we plan to achieve the following:

- **Reducing the potential of Manual Handling injuries**
- **Improve Safety awareness of all Employees**
- **Increase Productivity**

Metal Spinners Group Ltd is committed to working with HSE and the Local Authorities on this issue - together we can make a real difference.

Yours sincerely

Ricky Forsyth
HR Manager
