Dear Emmie

*Anglesey Aluminium Metal Ltd* is delighted to support this year's Better Backs campaign which aims to reduce the incidence and impact of back pain and upper limb disorders caused or made worse by work and to reduce the number of working days lost to these causes.

We have set ourselves the following goals with view to tackling back pain and upper limb disorders in our work place:

- **Increase Awareness**
- **Decrease the number of MSDs occurring in the workplace**
- **Decrease sickness absences from MSDs per annum**

We plan to achieve our goals by taking the following actions:

- Investigating and analysing accidents/near misses to see where improvements can be made
- Risk assessments of all Manual Handling tasks occurring on site
- Refresher manual handling training
- Early referrals to physiotherapists following back injury
- Poster Presentations/emails

*Anglesey Aluminium Metal Ltd* is committed to working with HSE and the Local Authorities on this issue - together we can make a real difference.

Yours sincerely

*Serina Jenkin-Davis*  
*Physiotherapist/Ergonomist*
