Dear Emmie

Re: Better Backs Campaign

We, at **GKP Construction Limited**, are delighted to support this year's Better Backs campaign which aims to reduce the incidence and impact of back pain and upper limb disorders caused or made worse by work and to reduce the number of working days lost to these causes.

We have set ourselves the following goals with view to tackling back pain and upper limb disorders in our work place:

- **Make *all* staff aware of best practice regarding activities being undertaken**
- **Provide adequate training and information to ensure lower WRULD's**

We plan to achieve our goals by taking the following actions:

- ***Move ULD's an Manual Handling higher up induction training***
- ***Provide all members of staff with CIEH Manual Handling Certificate***
- ***Continue to highlight in monthly staff newsletter***

GKP Construction Limited is committed to working with HSE and the Local Authorities on this issue - together we can make a real difference.

Yours sincerely

Ian Lacey
