Dear Emmie

*Mid Devon District Council* is delighted to support this year's Better Backs campaign which aims to reduce the incidence and impact of back pain and upper limb disorders caused or made worse by work and to reduce the number of working days lost to these causes.

We have set ourselves the following goals with view to tackling back pain and upper limb disorders in our work place:

- **goal 1. Aim for a year on year reduction in back pain and ULD's within MDDC**
- **goal 2. Provide information about back pain and ULD's to the whole of MDDC workforce**

We plan to achieve our goals by taking the following actions:

- ***action 1. Training.***
- ***action 2. Use of Newsletters, information packs and guidance for managers, supervisors and staff.***

*Mid Devon District Council* is committed to working with HSE and the Local Authorities on this issue - together we can make a real difference.

Yours sincerely

**J B Gent**
