Dear Emmie

New Charter Housing Trust Group is delighted to support this year's Better Backs campaign which aims to reduce the incidence and impact of back pain and upper limb disorders caused or made worse by work and to reduce the number of working days lost to these causes.

We have set ourselves the following goals with view to tackling back pain and upper limb disorders in our work place:

- **To raise awareness to potential injuries**
- **To reduce accidents/absenteeism**

We plan to achieve our goals by taking the following actions:

- **Campaign on the New Charter New You road show**
- **Tool Box Talks**
- **Team brief articles**
- **Posters**

New Charter Housing Trust Group is committed to working with HSE and the Local Authorities on this issue - together we can make a real difference.

Yours sincerely
