Dear Emmie

NVQman Ltd is delighted to support this year's Better Backs campaign which aims to reduce the incidence and impact of back pain and upper limb disorders caused or made worse by work and to reduce the number of working days lost to these causes.

We have set ourselves the following goals with view to tackling back pain and upper limb disorders in our work place:

- **Introduce the materials to each individual NVQ candidate**
- **Discuss the campaign and its implications with employers**
- **Introduce the subject matter into my training courses**

We plan to achieve our goals by taking the following actions:

- *Set specific action plans to include the campaigns content*
- *Provide nursing homes with link information to this site*
- *Distribute stakeholder packs to manual handling course attendees*

NVQman Ltd is committed to working with HSE and the Local Authorities on this issue - together we can make a real difference.

Yours sincerely

Neil Hare
