Dear Emmie

**Ouch Pouch Childcare Limited** is delighted to support this year's Better Backs campaign which aims to reduce the incidence and impact of back pain and upper limb disorders caused or made worse by work and to reduce the number of working days lost to these causes.

We have set ourselves the following goals with view to tackling back pain and upper limb disorders in our work place:

- i. To minimize the risks of accidental falls with the premises and grounds
- ii. To minimize the risk of back and upper limb disorders caused by bad handling practises of 'all' equipment and furniture.

We plan to achieve our goals by taking the following actions:

- i. Increase employee's awareness of Hazards through literature and poster
- ii. All employee's to go onto a 'Moving and Handling' training courses

**Ouch Pouch Childcare Limited** is committed to working with HSE and the Local Authorities on this issue - together we can make a real difference.

Yours sincerely
