Dear Emmie

PPG Architectural coatings EMEA (formally SigmaKalon) is delighted to support this year's Better Backs campaign which aims to reduce the incidence and impact of back pain and upper limb disorders caused or made worse by work and to reduce the number of working days lost to these causes.

We have set ourselves the following goals with view to tackling back pain and upper limb disorders in our work place:

- **goal 1 Improve the back injuries within the workplace by 10% in 2008**
- **goal 2 Health Promotion**
- **etc**

We plan to achieve our goals by taking the following actions:

- ***action 1 Lifting and Handling workshops***
- ***action 2 Health Day Oct 8th 'Back Care***
- ***etc***

PPG Architectural Coatings EMEA (formally SigmaKalon) is committed to working with HSE and the Local Authorities on this issue - together we can make a real difference.

Yours sincerely

Beryl Rhodes,
