

**Annex 6**

**ASSESSMENT CASE NOTE**

COIN CASE NUMBER: **abcdefg**

**Safety Case Title:**  
**Case Note Title:**  
**Author:**

Date:

**1 Assessment of the [topic name] content of the above case**

The scope of the assessment was in accordance with the assessment brief and any agreed changes.

[Identify relevant other Case Notes and describe the scope of the assessment.]

**2 Matters to be raised with the duty holder**

[For each matter (including those already raised on a Level 1 Issue Note) provide the following:

- a) whether it is a Level 1 matter or an other matter,
- b) for specific information required by SCR05, a precise note of what is missing by reference to the legal requirements and where appropriate to the guidance document L30,
- c) for inadequate demonstrations, sufficient technical detail to enable the duty holder to identify the nature and extent of the deficiency[including ideally a GASCET reference],
- d) the nature and extent of the response that is likely to be satisfactory.]
