Statement of cleanliness after textured coating removal

Equipment and method sheet

Non-licensed tasks
This information will help employers and the self-employed to comply with the Control of Asbestos Regulations 2012.
It is also useful for trade union and employee safety representatives.

What this sheet covers
This sheet is intended for trained contractors who remove textured coatings.
It sets out a model statement to issue to the client, premises owner or the occupier.
A statement of cleanliness is normally only required for large-scale removal and if an enclosure is used.

Procedures
- After removing textured coating, you need to let the client know the premises are safe to use again.
- Before you do this you need to be sure that textured coating has been removed, as agreed, and all debris cleaned up.
- The next page shows an example of a form to give to the client, premises owner or occupier.
