

Unsure about your health and safety responsibilities? Need concerns resolving?

Free Seminars, Advice & Information

* Free Seminars—see timetable—select which Health and safety topics are relevant to your business needs and concerns ring 01482 396306 for a place

* Safety surgery—confidential problem solving and advice from the Inspectors - please ring 01482 396188 to ensure an appointment slot. Or pop in

Aims of the week's campaign

* Help for employers in clarifying how to comply with the many health and safety laws and regulations.

Desired Outcomes

* Encourage consultation with employees to implement sound and effective control measures to reduce injuries and ill-health in the workplace.

* Help to demystify the risk assessment process

Look out for

Employer/employee prize winning quiz/questionnaires at retail outlets, Post Offices, East Riding of Yorkshire Council Customer Service Centres and GP Surgeries.

Need to contact us?

If you would like information on health and safety you can visit HSE website on www.hse.gov.uk. Alternatively, if you work in the leisure, retail, warehousing or office sectors you can contact East Riding of Yorkshire Council on 01482 396308. For advice on manufacturing, construction and agriculture please contact HSE at Sheffield on 0114 2912300.
