

CILF - *Safety and Health Awareness Day*

Cleaning Industry Liaison Forum

Places are limited so book yours now!

The Cleaning Industry Liaison Forum in partnership with Tayside Contracts are running a **free** Safety and Health Awareness Day in Scotland.

The event is aimed at cleaners in charge and/or cleaning supervisors who work within the industrial and contract cleaning industry, who are required to make day to day frontline decisions.

It is being held on **Wednesday 1st April 2009** in **Perth** and will provide practical health and safety information on:

- Risk assessment
- Slips and trips
- Musculoskeletal injuries (like back pain)
- Machinery safety
- Training and competence

For more information and to secure your place at the event please e-mail **melanie.brown@tayside-contracts.co.uk** or telephone 01382 834111
