LIST 1:

REASONS WHY RESPONDENT DOES NOT THINK RISK ASSESSMENTS TAKE APPROPRIATE AND SUFFICIENT ACCOUNT OF TEMPS - UNPROMPTED (Q.22)
RESPONDENTS THAT DO NOT THINK RISK ASSESSMENTS TAKE APPROPRIATE AND SUFFICIENT ACCOUNT OF TEMPS

"Incorrect assessments made by clients, recently a client said they would not accept workers under the age of 18. Our Agency did not agree with this." (78)

"The assessment does not always refer to the specific job when it is sent." (318)

"We can only use our common sense as we are not qualified in health and safety, and if we see that something looks wrong we do our best to point it out." (559)

"It is just a formality that too many companies go through." (659)

"Temporary staff are not always treated as well as they should be." (673)

"The clients are not giving the drivers long enough for training and inductions." (698)

"I think that some people assume that it is our responsibility as the agency to deal with health and safety issues." (948)

LIST 2:

**REASONS WHY RESPONDENT CONSIDERS PROVISIONS TO BE INADEQUATE - UNPROMPTED (Q.30)
RESPONDENTS THAT CONSIDER PROVISIONS TO BE INADEQUATE**

"The standards we expect from clients are not adhered to and sometimes temporary workers are not given the induction that permanent staff receive." (64)

"We are unhappy about people being moved to different jobs whilst they are on placement, sometimes they are moved to positions they are unsuitable for." (100)

"Some companies do not have a thorough knowledge of health and safety procedures." (254)

"Provisions are not checked everyday, therefore we are unaware of day to day changes." (317)

"There may be gaps. This is why we are currently reviewing health and safety." (379)

"Clients want to avoid the cost." (380)

"People are not always aware of their responsibilities." (456)

"It could be better in some organisations." (471)

"Repairs are not carried out and places are not always kept clean." (485)

"Some temporary staff do not get induction from clients." (563)

"Some people take short cuts to the line standards, a document issued by Rail Track." (654)

"Do not have any instructions on health and safety from our office." (697)

"We would like the clients to spend more time on induction training and health and safety issues." (698)

"Health and safety issues vary with regards to different companies e.g. The same health and safety issues would not apply to the people working in a tyre factory." (755)

"They are not always thorough enough." (802)

"Companies are not fully aware of health and safety issues." (1053)
